

**ACADEMIC LIBRARY ASSOCIATION OF OHIO (ALAO)
CONTINUING EDUCATION GRANT APPLICATION**

The ALAO Continuing Education Grant Program encourages library personnel to improve their skills and to develop new ones. Awards are given twice a year (deadline dates are usually January 31 and September 15 of each year) to help offset the cost of attending library-related events or educational opportunities.

Applicants must be current members of ALAO. Preference is given to Ohio residents or employees of Ohio libraries, and to those who indicate a lack of financial support to attend continuing education functions.

Recipients will be selected by ALAO's Professional Development Committee (PDC). The PDC will notify the award recipients and will arrange payment. Award winners will be announced in ALAO communications unless otherwise notified by recipient.
