

# Remaking the Makerspace: Transformational Student Training

## About the Makerspace @ King

- Hands-on, experiential learning space
- 3D printing, laser cutting, vinyl cutting, sewing, embroidery, VR, AV recording, and more
- Open to all Miami students, faculty and staff

## Remaking the Makerspace: Transformational Student Training

### *The Challenge:*

Training 10+ students, many new, first year students, on how to work in a Makerspace

### *The Solution:*

Aprons! But not just plain aprons!  
Personalized aprons that reflect the skills they have mastered.
